### **KHAMA RHINO SANCTUARY TRIP**

The Khama Rhino Sanctuary (KRS) is a community based wildlife project, established in 1992 to assist in saving the vanishing rhinoceros, restore an area formerly teeming with wildlife to its previous natural state and provide economic benefits to the local Botswana community through tourism and the sustainable use of natural resources.

Covering approximately, 8585 hectares of Kalahari Sandveld, the sanctuary provides prime habitat for white and black rhino as well as over 30 other animal species and more than 230 species of birds.

#### DAY 1

Clients will be met by our representative where they are lodged to be briefed about their tour and then depart to Maun to Khama Rhino accompanied by our professional tour guide. Packed breakfast and lunch will be served along the way to Khama Rhino Sanctuary. Upon arrival, there will be a game drive and later clients will get to their full set campsite. Dinner will be prepared by our professional chef at the campsite and after dinner clients can gather around the camp fire before heading to bed. Time for bed will be determined by the last client.
