## FULL DAY TRIP IN MOREMI GAME RESERVE

**DAY 1:** Pre Arrival; We will meet you at Maun International Airport, and our tour guides will give you opportunity to go around shops. Lately they will take you to the preferred lodge where you will have dinner and spend a night. Maun is a gateway to one of the best wildlife experiences you will ever have, an unforgettable Okavango delta.

We will depart from Maun to Moremi Game reserve at 06:00 in the morning. Pre packed lunch will be brought along.

This National Park has garnered a number of important distinctions. In 2008, it was voted the 'best game reserve in Africa' by the prestigious African Travel and Tourism Association at South Africa's premier tourism fair, Indaba.

It is the first reserve in Africa that was established by local residents. Concerned about the rapid depletion of wildlife in their ancestral lands – due to uncontrolled hunting and cattle encroachment and was later declared a game reserve in 1963. It is the only officially protected area of the Okavango Delta, and as such holds tremendous scientific,

environmental and conservation importance. And, undoubtedly, Moremi ranks as one of the most beautiful reserves in Africa, possibly in the world.

Moremi Game Reserve is situated in the central and eastern areas of the Okavango, and includes the Moremi Tongue and chief's island, boasting one of the richest and most diverse ecosystems on the continent. This makes for spectacular game viewing and bird watching, including all major naturally occurring herbivore and carnivore species in the region, and over 400 species of birds, many migratory and some endangered. Both Black and White Rhino have recently been re-introduced, now making the reserve a 'Big Five' destination.

Contained within an area of approximately 3900 sq kms, here land and Delta meet to create an exceedingly picturesque preserve of floodplains – either seasonally or perennially wet, waterways, lagoons, pools, pans, grasslands and riparian, riverine and mopane forests.

Director Moabi Marambo
