Maun Botswana

2 NIGHTS 3DAYS AT CENTRAL KALAHARI GAME RESERVE SAFARI

DAY 1: Pre Arrival; We will meet you at Maun International Airport, and our tour guides will give you opportunity to go around shops to prepare yourself for trip to Central Kalahari Game reserve.

DAY 2-3: We will depart from Maun around 1200 to Central Kalahari Game reserve where will enjoy the largest, most remotely situated reserve in Southern Africa, and the second largest wildlife reserve in the world, encompassing 52 800 sq kms. During good summer rains, the flat grasslands of the reserves attracts a crowd of wildlife, which gather at the best grazing areas. These include large herds of springbok and gemsbok, as well as wildebeest, hartebeest, eland and giraffe. The landscape is dominated by silver Terminalia sand veldt, Kalahari sand acacias, and Kalahari apple leaf, interspersed with grasslands, and dotted with occasional sand dunes, pans and shallow fossil river valleys. CKGR is unique in that it was originally established (in 1961) with the intention of serving as a place of sanctuary for the San, in the heart of the Kalahari (and Botswana), where they could live their traditional hunter/ gatherer way of life, without intrusion, or influence, from the outside world. We will spend 2 nights in the reserve, wake up early morning for full day game viewing after a simple breakfast, we tour the reserve in order to be familiar with the area. Repacked Lunch will be served en-route. Before sun dawn we will return back to the camp where you will take a shower, interact with others, dinner served and spend a night in melodies of lion while in the canvas tent. We will leave the park around 10 am returning back to Maun and the trip ends.
